

wilson planter

wilson planter

Name

Wilson Planter.

Design by

One Foot Taller.

Product Background

Stainless steel planters which were originally designed for a private client's large decked balcony. They are large enough to take substantial plants and also tall enough to provide a screen in themselves. The kink in the form can be mirrored to allow them to stand in a row or form corners, always with edges matching cleanly.

Dimensions

840mm x 420mm x 475mm high.

Weight

Approx 15 kg.

Materials

Stainless steel or galvanized steel.

Colour

Stainless or galvanized steel.

Parts Supplied

Planter, on wheels (2 with brakes) or if specified, without wheels.
